

Homeowner Fact Sheet RADIATORS

Do's and Don'ts of caring for your MYSON radiators

This fact sheet is to advise you of the correct way to keep your radiators in perfect working order.

✓ DO's

Follow correct install procedures

Keep the room where the product is installed well ventilated specifically rooms with high humidity

Touch up any accidental damages ASAP

If using a TRV, ensure it has a free flow of air to sense the temperature

✗ DON'Ts

Don't vacuum near radiators as this can scratch or dent the radiator

Don't place any wet garments on your radiators

Don't use abrasive cleaners which could remove the paintwork

Don't remove top grilles and side panels if you are unsure how to do so without causing damage

For further information please contact Customer Services on **0330 041 5474**, email generalenquiries.uk@purmogroup.com or visit the website www.myson.co.uk

DID YOU KNOW?

Using cleaning appliances on or around your radiators can cause damage.

Please ensure appliances do not touch the paintwork of the radiators or the pipework surrounding the radiators.
